Dear Parent/Guardian,

Now that Parent Assistant is available to you, you can see your child's current average and assignments at any time. For that reason, we want to save paper and money by sending interim reports only to those parents or guardians who request them.

If you would like to have a paper copy of your child's interim report, please complete the information below and have your child return it to his or her teacher. If you are happy with having the on-line access to your child's grades, there is no need to return this.

Note that you will need to inform each school that your children attend if you wish paper copies of the interim report.

Amy Holbrook, Principal

Please send me paper copies of the interim report.
